RE: Tariff I.P.U.C. No. 28 (Electric) and Tariff I.P.U.C. No. 27 (Natural Gas)
Docket Nos. AVU-E-14-05 and AVU-G-14-01

Compliance Tariff Filing
Commission Order No. 33130 - Case Nos. AVU-E-14-05 and AVU-G-14-01

The following tariff sheets are enclosed for filing with the Commission in compliance with the Commission's Order No. 33130 in Case Nos. AVU-E-14-05 and AVU-G-14-01.

Electric

Ninth Revision Sheet B-1 canceling Eight Revision Sheet B-1
First Revision Sheet 097 canceling Original Sheet 097

Natural Gas

Fifth Revision Sheet B canceling Fourth Revision Sheet B
First Revision Sheet 197 canceling Original Sheet 197

The Company is currently passing through credits to electric and natural gas customers through Schedules 97 and 197. The Schedule 97 credit is related to a prior settlement with the Bonneville Power Administration, and the Schedule 197 credit is related to a Purchased Gas Cost Adjustment credit deferral balance. Both of those credits are being passed through to customers, and will expire December 31, 2014.

As a part of the Settlement Stipulation approved in Order No. 33130, the credit rates under Schedules 97 and 197 that are being passed through to customers were extended for an additional one-year period, through December 31, 2015. The new rebate balance for Schedule 97 is being funded by the Company's 2013 electric earnings test deferral, and the new rebate balance for Schedule 197 is being funded both by the Schedule 191 natural gas efficiency funding balance and the 2013 natural gas earnings test deferral.

These tariff sheets are proposed to be made effective on January 1, 2015, in compliance with the Order. If you have any questions regarding this filing, please call Patrick Ehrbar at (509) 495-8620 or Joe Miller at (509) 495-4546.

Sincerely,
